

KidneyCAN

together we can find a cure

Our Asks

- **\$3 billion increase** in funding for the NIH and NCI.
- **\$50 million** for the KCRP (CDMRP).
- **Continue to support** legislative initiatives that contribute to robust, sustainable funding for medical research.
- **Continue to listen** to the patient perspective on legislative policy matters.

Kidney Cancer By the Numbers

73,750

new cases annually
in the U.S.

15,000

deaths annually in
the U.S.

10th

most prevalent cancer
among **women**

8th

most prevalent cancer
among **men**

\$0

dedicated federal funding
in **2016**

\$40 million

dedicated federal funding
in **2020**
