

breast advocate

Breast Advocate® educates users in a comprehensive and personalized way about breast cancer surgery and reconstruction options, providing information and tools needed to take a more active role in patient consultations and participate fully in the decision making process.

The Breast Advocate® App is the first SHARED DECISION-MAKING app for breast cancer surgery and breast reconstruction.

DETAILED AND CUSTOMIZED FEATURES :

EMPOWERING CONTENT: Blogs and videos featuring survivors and experts.

DECISION WIZARD: Provides evidence-based recommendations after taking individual situations and preferences into account.

COMMUNITY: The Breast Advocate® community connects with others in similar situations locally, across the country, or even around the globe.

KNOWLEDGE CENTER: Offers users customized resources, articles, treatment options and resources based on their individual needs.

“I was fortunate to have been given ALL my breast reconstruction options.”

- TERRI COUTEE

“I went from worrying everyday about when I could get breast cancer to finding peace and a new outlook on life.”

- HEATHER BARNARD

“Going through breast cancer is a team effort.”

- PAUL SMALL
