

District Days

August 12th & 13th, 2020

Powered By

No previous advocacy experience necessary.

All patients, caregivers, family, friends and medical professionals are welcome!

August 12th

- Includes in-person meeting at your local Congressional House district office with staff and member

August 13th

- Includes virtual teleconference meeting at your local Congressional Senate district office with staff and member

Advocacy 101: We will prepare you to meet with your Congressional representatives through an online educational seminar to include speakers from partner advocacy organizations, health care advocates, rehearsal/role playing, logistics, 'how to do' Congressional meetings and related matters. Meeting schedules, leave behind documents, talking points, and a feedback form will be provided through an online app.

Spread the word - join us for District Days! Make your voice heard.
