

Do you know someone diagnosed with cancer?

GIVE the Bag It bag, an invaluable, doctor-recommended resource that provides information and tools to anyone with any type of cancer.

También disponible en español. Detalles al reverso.

“ The bag was a lifesaver when I was overwhelmed. Cancer info I needed to know and the questions I needed to ask were at my fingertips so I didn't have to search online.

Keith, Chicago, IL ”

“ It was super easy to organize and keep track of everything in one place. I felt some sense of control and peace, and my husband and family did too.

” Cathy, Tempe, AZ ”
